

Derbyshire Festival 2014 Ten-minute Talk September 2009

Between September and December 2009 we would be grateful if all those who have the opportunity to address a Lodge (eg, Provincial Wardens, Area Directors, etc) would make the following points:

- The Festival is progressing very well indeed
- There have been more applications to the Masonic Samaritan Fund from Derbyshire than ever before
- To date (end August 2009) we have raised £702,000 for the MSF
- The Provincial Grand Master and the Festival Executive are most grateful to XXX Lodge No. YYY for contributing to this total by raising £YYY so far.

Please insert the name and number of the Lodge, and the sum they have raised, in the spaces above. Mike Knifton will send you a list of the sums raised by each Lodge every month.
